**IMPORTANT MESSAGE
FROM YOUR ENT DOCTOR**

**BECKY
MCGRAW-WALL, MD**

Do you experience difficulty breathing through your nose and nothing seems to help? You may have nasal obstruction, a common condition that affects millions of Americans.

Dr. McGraw is now offering VivAer®, an innovative new nasal treatment that can help you breathe better with lasting results. This convenient, non-invasive treatment is performed right in our office, and patients typically return to normal activities on the same day.

You may be eligible to use your Medicare or insurance benefits towards VivAer treatment. If you have any questions or would like help checking your insurance coverage for VivAer treatment, please call us at (281) 649-0000.

To see if you're a candidate, take the NOSE Test and share your score. We'll assess your results and advise if you should come in for a consult.

1 Take the NOSE Test

In the past 4 weeks, how much of a problem were the following symptoms for you?

Please mark the most correct response	Not a Problem	Mild Problem	Moderate Problem	Fairly Bad Problem	Severe Problem
Nasal Congestion or Stuffiness	0	1	2	3	4
Nasal Blockage or Obstruction	0	1	2	3	4
Trouble Breathing Through My Nose	0	1	2	3	4
Trouble Sleeping	0	1	2	3	4
Unable to Get Enough Air Through My Nose During Exercise or Exertion	0	1	2	3	4
Total sum of answers multiplied by 5:				<input type="text"/>	5-25 Mild 30-50 Moderate 55-75 Severe 80-100 Extreme
